Wireless Magnet Floor Tiles/Wall Tiles/ Ceiling Panels							
YS-IM6001	Wireless Magnetic Infinity Mirror LED Floor Tile/ Wireless Magnetic Rainbow Infinity Mirror Floor Tile		600*600*70mm	1.Voltage:90-240VAC, 50/60 hz 2.Power:20W 3.Leds:Epistar 5050 smd. 4.Color:rgb full colors. 5.Life span: ≥100000hrs. 6.Base material: ABS plastic mould 7.Surface: Tempered glass. 8.Bearing weight : 500kg 9.Control item: SD controller, DMX512, sounds active, remote, PC, Wifi pad control, Madrix	1.RGB 2.Base material: ABS (IP55 waterproof) / stainless steel (IP67 waterproof)		50
YS-IM6002	Wireless Magnetic Infinity Mirror LED Floor Tile/ Wireless Magnetic Rainbow Infinity Mirror Floor Tile		500*500*70mm	1.Voltage:90-240VAC, 50/60 hz 2.Power:20W 3.Leds:Epistar 5050 smd. 4.Color:rgb full colors. 5.Life span: ≥100000hrs. 6.Base material: ABS plastic mould 7.Surface: Tempered glass. 8.Bearing weight : 500kg 9.Control item: SD controller, DMX512, sounds active, remote, PC, Wifi pad control, Madrix	1.RGB 2.Base material: ABS (IP55 waterproof) / stainless steel (IP67 waterproof)		50
YS-IM6003	Wireless Magnetic Digital 8x8 Floor Tile		600*600*70mm	1.Voltage:90-240VAC, 50/60 hz 2.Power:20W 3.Leds:Epistar 5050 smd. 4.Color:rgb full colors. 5.Life span: ≥100000hrs. 6.Base material: ABS plastic mould 7.Surface: Tempered glass. 8.Bearing weight : 500kg 9.Control item: SD controller, DMX512, sounds active, remote, PC, Wifi pad control, Madrix	1.RGB 2.Base material: ABS (IP55 waterproof) / stainless steel (IP67 waterproof)		50
YS-IM6004	Wireless Magnetic Digital 8x8 Floor Tile		500*500*70mm	1.Voltage:90-240VAC, 50/60 hz 2.Power:20W 3.Leds:Epistar 5050 smd. 4.Color:rgb full colors. 5.Life span: ≥100000hrs. 6.Base material: ABS plastic mould 7.Surface: Tempered glass. 8.Bearing weight : 500kg 9.Control item: SD controller, DMX512, sounds active, remote, PC, Wifi pad control, Madrix	1.RGB 2.Base material: ABS (IP55 waterproof) / stainless steel (IP67 waterproof)		50
Wired Infinity/Rainbow Mirror LED Floor Tiles/Wall Tiles/ Ceiling Panels							
YS-IM6005	Wired Rainbow LED Floor Tile		500*500*70mm	1.Voltage:90-240VAC, 50/60 hz 2.Power:18W 3.Leds:Epistar 5050 smd. 4.Color:rgb full colors. 5.Life span: ≥100000hrs. 6.Base material: ABS plastic mould 7.Surface: Tempered glass. 8.Bearing weight : 500kg 9.Control item: SD controller, DMX512, sounds active, remote, PC, Wifi pad control, Madrix	1.RGB 2.Base material: ABS (IP55 waterproof) / stainless steel (IP67 waterproof)		50
YS-IM6006	Wired Infinity Mirror LED Floor Tile		500*500*70mm	1.Voltage:90-240VAC, 50/60 hz 2.Power:18W 3.Leds:Epistar 5050 smd. 4.Color:rgb full colors. 5.Life span: ≥100000hrs. 6.Base material: ABS plastic mould 7.Surface: Tempered glass. 8.Bearing weight : 500kg 9.Control item: SD controller, DMX512, sounds active, remote, PC, Wifi pad control, Madrix	1.RGB 2.Base material: ABS (IP55 waterproof) / stainless steel (IP67 waterproof)		50
YS-IM6007	Wired G-Shape Infinity Mirror LED Floor Tile (Sensor-Activated)		500*500*70mm	1.Voltage:90-240VAC, 50/60 hz 2.Power:30W 3.Leds:Epistar 5050 smd. 4.Color:rgb full colors. 5.Life span: ≥100000hrs. 6.Base material: ABS plastic mould 7.Surface: Tempered glass. 8.Bearing weight : 500kg 9.Control item: SD controller, DMX512, sounds active, remote, PC, Wifi pad control, Madrix, Color change once you touch it interactive	1.RGB 2.Base material: ABS (IP55 waterproof) / stainless steel (IP67 waterproof)		50

YS-IM6022	Starry Sky LED Floor Tile with Tempered Glass		500*500*70mm	1.Voltage:90 -240VAC, 50/60 hz 2.Power:10W 3.Leds:Epistar 5050 smd. 4.Color:rgb full colors. 5.Life span: ≥100000hrs. 6.Base material: ABS plastic mould 7.Surface: Tempered glass. 8.Bearing weight : 500kg 9.Control item: SD controller, DMX512, sounds active, remote, PC, Wifi pad control, Madrix	1.RGB 2.Base material: ABS (IP55 waterproof) / stainless steel (IP67 waterproof)		50
8-Sided Rice Character Series led dance floor Tiles/Wall Tiles/ Ceiling Panels							
YS-IM6023	SMD Chip 8-Sided Glass LED Floor Tile		1000*1000*06mm	1.Voltage:90 -240VAC, 50/60 hz 2.Power:60W 3.Leds:Epistar 5050 smd. 4.Color:rgb full colors. 5.Life span: ≥100000hrs. 6.Base material: ABS plastic mould 7.Surface: Tempered glass. 8.Bearing weight : 500kg 9.Control item: SD controller, DMX512, sounds active, remote, PC, Wifi pad control, Madrix	1.RGB 2.Base material: ABS (IP55 waterproof) / stainless steel (IP67 waterproof)		Negotiable
Wired White Oil Frosted LED Induction Floor Tile Light							
YS-IM6024	Wired Full-Surface Induction Color-Changing Floor Tile Light 600*600mm		stainless steel: 600*600*55mm ABS plastic steel: 600*600*70mm	1.Voltage:90 -240VAC, 50/60 hz 2.Power:40W 3.Leds:Epistar 5050 smd. 4.Color:rgb full colors. 5.Life span: ≥100000hrs. 6.Base material: Stainless steel201 or ABS plastic mould 7.Surface: Tempered glass. 8.Bearing weight : 500kg 9.Control item: SD controller, DMX512, sounds active, remote	1.RGB 2.Base material: ABS (IP55 waterproof) / stainless steel (IP67 waterproof)		50
YS-IM6025	Wired Full-Surface Induction Color-Changing Floor Tile Light 500*500mm		stainless steel: 50*50*5.5cm ABS plastic steel: 500*500*7mm	1.Voltage:90 -240VAC, 50/60 hz 2.Power:30W 3.Leds:Epistar 5050 smd. 4.Color:rgb full colors. 5.Life span: ≥100000hrs. 6.Base material: Stainless steel201 or ABS plastic mould 7.Surface: Tempered glass. 8.Bearing weight : 500kg 9.Control item: SD controller, DMX512, sounds active, remote	RGB/Base material: ABS plastic mould or stainless steel		50
YS-IM6026	Wired Full-Surface Induction Color-Changing Floor Tile Light, Piano Floor Tile Light 1000*300mm		1000*300*55mm	1.Voltage:90 -240VAC, 50/60 hz 2.Power:30W 3.Leds:Epistar 5050 smd. 4.Color:rgb full colors. 5.Life span: ≥100000hrs. 6.Base material: Stainless steel201 or ABS plastic mould 7.Surface: Tempered glass. 8.Bearing weight : 300kg 9.Control item: Build-in control, play piano music once you touch it	1.RGB 2.Base material: ABS (IP55 waterproof) / stainless steel (IP67 waterproof)		Negotiable
YS-IM6027	Wired Full-Surface Induction Color-Changing Floor Tile Light, Piano Floor Tile Light 800*200mm		800*200*55mm	1.Voltage:90 -240VAC, 50/60 hz 2.Power:20W 3.Leds:Epistar 5050 smd. 4.Color:rgb full colors. 5.Life span: ≥100000hrs. 6.Base material: Stainless steel201 7.Surface: Tempered glass. 8.Bearing weight : 300kg 9.Control item: Build-in control, play piano music once you touch it	1.RGB 2.Base material: stainless steel (IP67 waterproof)		Negotiable
YS-IM6028	Wired Full-Surface Induction Color-Changing Floor Tile Light, Round Music Note Floor Tile Light 600mm Diameter		diameter 600mm	1.Voltage:90 -240VAC, 50/60 hz 2.Power:40W 3.Leds:Epistar 5050 smd. 4.Color:rgb full colors. 5.Life span: ≥100000hrs. 6.Base material: Stainless steel201 7.Surface: Tempered glass. 8.Bearing weight : 300kg 9.Control item: Build-in control, play piano music once you touch it	1.RGB 2.Base material: stainless steel (IP67 waterproof)		50

YS-IM6029	Wired Full-Surface Induction Color-Changing Floor Tile Light, Round Music Note Floor Tile Light 500mm Diameter		diamete500mm	1.Voltage:90-240VAC, 50/60 hz 2.Power:30W 3.Leds:Epistar 5050 smd. 4.Color:rgb full colors. 5.Life span: ≥100000hrs. 6.Base material: Stainless steel201 8.Bearing weight : 300kg 9.Control item: Build-in control, play piano music once you touch it	1.RGB 2.Base material: stainless steel (IP67 waterproof)		50
YS-IM6030	Wired Full-Surface Induction Color-Changing Floor Tile Light, Long Strip Floor Tile Light		1000*100*55mm	1.Voltage:90-240VAC, 50/60 hz 2.Power:10W 3.Leds:Epistar 5050 smd. 4.Color:rgb full colors. 5.Life span: ≥100000hrs. 6.Base material: Stainless steel201 7.Surface: Tempered glass. 8.Bearing weight : 300kg 9.Control item: SD card, DMX512	1.RGB 2.Base material: stainless steel (IP67 waterproof)		Negotiable
Spare parts							
YS-IM6031	Edge-Wrapped Ramp 500mm		Length 500mm	500mm Ramp Without Magnet	ABS/Wired models may not be equipped with ramps, while wireless models must be equipped with ramps		Negotiable
YS-IM6032	Edge-Wrapped Ramp 600mm		Length 600mm	600mm Ramp Without Magnet (Wired models may not be equipped with ramps, while wireless models must be equipped with ramps)	ABS/Wired models may not be equipped with ramps, while wireless models must be equipped with ramps		Negotiable
YS-IM6033	400W Power Transformer - Export Special			Supports 110-220V voltage transformation, with fan, plug, connector and extension cord, voltage stabilization (Export Special)	ABS		Negotiable
YS-IM6034	400W Power Transformer			Only supports 220V, no fan, with plug, connector and extension cord	ABS		Negotiable
YS-IM6035	Small Remote Controller			210 built-in effects, equipped with mini remote control, distance 3 meters. Supports mobile phone APP operation			Negotiable
YS-IM6036	Large Remote Controller			210 built-in effects, equipped with mini remote control, distance 8 meters. Supports mobile phone APP operation			Negotiable
YS-IM6037	Central Controller			SD card effects, no sound control, 8-channel output			Negotiable
YS-IM6038	Large Controller			SD card with 96 effects, with sound control, master-slave function, automatic effect playback, intelligent time control setting and other functions			Negotiable
YS-IM6039	PC Computer Connected Controller (Non-Inductive)			Computer software for unlimited effect playback, with sound control, master-slave function, automatic effect playback, intelligent time control setting and other functions	One set consists of 1 main controller + 8 sub-controllers		Negotiable
YS-IM6040							Negotiable
YS-IM6041	PC Computer Connected Controller (With Induction)			Computer software for unlimited effect playback, with master-slave function, automatic effect playback, and inductive interaction	One set consists of 1 main controller + 8 sub-controllers		Negotiable
YS-IM6042							Negotiable
YS-IM6043	402 Game Controller			Adjust pre-induction effects, induction effects, change sounds, with 120 sound-producing products			Negotiable

YS-IM6044	Airline Case		930*560*730mm	black/Please consult the salesperson for other custom-made airline cases			Negotiable
YS-IM6045	One set of tablet wireless control				1 Tablet; Controller; Dedicated Router		Negotiable
YS-IM6046	Infinite Mirror Christmas Tree		W300*H400mm W11.81" × H15.75"	Material: Tempered Glass + LED Light Source: LED Strip Voltage: DC12V / DC24V Frame Material: High-quality solid wood with baking paint finish	Other colors and sizes are customizable.		100
YS-IM6047	Abyssal Mirror Corner Table		400*400*600mm	Material: Glass Frame: Wooden Frame Structure Craftsmanship: Wooden Craftsmanship Style: Light Luxury Color: Silver/Green, Silver/Rose Red Voltage: 12V Accessories: LED Light Strip	Other colors, sizes and functions are customizable.		20
YS-IM6048	Infinity Mirror Console Table		1200*380*800mm	• Tabletop Material: Tempered Glass • Structure Material: Panel • Accessories: Rhinestone/Mirror • Function: RGB Music Sync(Customizable) • Voltage: 24V • Light Source: LED Strip • Surface Craft: Baking Paint	Other colors, sizes and functions are customizable.		20
YS-IM6049	Infinity Mirror Coffee Table		L140XW80XH55 /cmCustomizable	• Tabletop Material: Tempered Glass • Structure Material: Panel / Stainless Steel (customizable) • Function: RGB Music Sync • Voltage: 24V • Light Source: LED Strip • Surface Craft: Baking Paint	Other colors, sizes and functions are customizable.		20
YS-IM6050	Infinity Mirror Coffee Table		Customizable	• Tabletop Material: Tempered Glass • Structure Material: Panel / Stainless Steel (customizable) • Function: RGB Music Sync • Voltage: 24V • Light Source: LED Strip • Surface Craft: Baking Paint	Other colors, sizes and functions are customizable.		20
YS-IM6051	Luxurious abyss coffee table		Customizable	• Tabletop Material: Tempered Glass • Structure Material: Panel / Stainless Steel (customizable) • Function: RGB Music nc(customizable) • Voltage: 24V • Light Source: LED Strip • Surface Craft: Baking Paint	Other colors, sizes and functions are customizable.		20

Notes:

1. All unit prices are EXW prices at our Zhongshan factory, applicable to standard sizes (500×500mm & 700×700mm) with ABS plastic molds, MOQ ≥ 50 pcs.
2. FOB Yantian Port / FOB Zhongshan Port trade terms are available; tiered volume discounts apply to bulk orders.
3. A 10%–30% price surcharge will be charged for wireless versions, custom sizes and personalized customized functions.
4. All listed prices exclude packaging, local transportation and customs clearance fees.
5. All prices are for reference only and do not form a legally binding formal quotation. We reserve the right to adjust prices without prior notice and retain the final right of interpretation.
